Updates, Info, and More

2019 Season

We had a great year at Camp!

2019 was an awesome season for DCSC. We are celebrating changed lives this year. While we didn't have any baptisms or rededication decisions at camp, we know many students were impacted by the staff and many of our staff were impacted by our campers. We had 149 students this year, many of whom this was their first experience with DCSC.

We also had 2 new deans this year, Ken Dasher, Jr. High Week, and Ryne Wood, First Timers Week. More information about our deans will be shared in our "Deans Spotlight" in the coming months.

During this season we also installed a new playground set for our Kiddie Koral. We want to thank Noah Peer, Milford Church of Christ, for his efforts to raise money and create a plan for upgrading our playground facilities. More improvements and updates are coming in 2020.

Fond Farewell

Emilee Book, Kissimmee FL, was our Lifeguard this Summer. While she was with us, she touched many lives, served like crazy and made an immeasurable impact. It is with heavy hearts that we say farewell. We look forward to seeing Emilee at DCSC again soon.

Projects List

We will be publishing a projects list every month. The list will be shared with the Board of Directors and the leadership of each of our supporting churches. We will also share updates on these projects as they are completed.

Projects List:

- Screens for Gym Building Porch
- Bathroom Mirror Replacement
- Clean Interior Gym Building Walls
- Paint Baseball Fence
- Paint Pool Fence
- Install New Lights on Dorms Exterior
- Install New Planks on Boardwalk

More projects and updates to come.

Upcoming Events

- Spanish Rally- August 16-18
- Board of Director's Meeting- September 8
- Men's Prayer Summit- September 27-28

Cans for Camp

During Junior Week, 5th-6th grade, three young men decided to begin collecting cans. Their goal is to collect cans and other scrap metals, on behalf of the camp. The purpose of this collection is to cash the metals in for cash which they plan to donate to the camp.

If you and your church would like to participate in this campaign, we would like to send you a DCSC Can Crusher for you to use to prepare your collection.

Some items that you might also consider collecting: Soda Cans, Soup Cans, Scrap Metals (Safely Packaged), Scrap Hardware or Tools.

Support the Camp

There are many ways to help the camp grow and thrive. The best way to help the camp is to pray for the camp, our campers and our leadership staff. The second way you can help is by giving to the camp via our website, Booster program, Scholarship Program, or by purchasing a Camp T-Shirt. If you would like to know more please contact the Camp Manager, managerdcsc@gmail.com

DCSC T-Shirts are \$15 each. Every T-Shirt purchased supports the Camp.

MAD Week T-Shirts are \$15 each. Every T-Shirt purchased supports the work of MAD Week.
